1 Introduction

1.1 This Policy sets out the framework for making decisions on staff pay.

1.2 Staff pay is affected by legislation, and national and local pay agreements, which give governing bodies' significant flexibility to determine pay levels to meet local circumstances. The policy complies with the School Teachers' Pay & Conditions Document (STPCD) and the accompanying statutory guidance and with national and local pay agreements for support staff and these documents will take priority in any disputes. The Policy will be reviewed annually, in consultation with staff and unions.

1.3 The objective of the policy is to:

- ensure that pay and staffing arrangements enable the current and future delivery of the curriculum and school improvement plans;
- support the recruitment and retention of high quality staff;
- recognise and reward staff for their contribution to school improvement;
- ensure that pay decisions are made in a fair and transparent way;
- ensure that available monies are allocated appropriately.

2 Roles and Responsibilities

2.1 Pay Committees

The Governing Body has established the following committees which have fully delegated powers to make decisions on pay, and (except in relation to the Headteachers pay) will be advised by the Headteacher as appropriate.

- Pay Committee;
- Pay Appeals Committee.

2.1.1 The terms of reference for these committees are attached at *Appendix A*. Governors will not make judgements about the effectiveness of individual staff. Their role is to satisfy themselves that any recommendation/decision has been made on the basis of evidence and in accordance with the Policy, and that correct procedures have been followed. The Governing Body will monitor the effectiveness of the Performance Management process and ensure that the allocation of pay is consistent with the overall standard of teaching in the Academy and the outcomes for pupils.

2.2 Performance Management

Performance Management is a developmental and supportive process designed to ensure that staff have the skills and support they need to carry out their role and that they continue to improve their professional practice throughout their careers. Performance management reviewers will be responsible for the performance management process, in accordance with the Performance Management Policy. Performance Management objectives will be moderated across the Academy to ensure consistency and fairness in pay decisions. The Performance Management Review Statement will include a pay recommendation which will be made by:

- The PM reviewer/Headteacher for Main Pay Range teachers and support staff;
- The Headteacher for Upper Pay Range and Leadership Range teachers;
- The Headteachers' Performance Management Review Panel for the Headteacher.

2.2.1 Application for the Upper Pay Range

The Headteacher will assess applications from teachers to be paid on the Upper Pay Range in accordance with this policy and will make a recommendation to the Pay Committee on whether the teacher should progress to the Upper Pay Range.

2.3 Staffing Structure

The Pay Committee will, having regard to the advice and recommendation of the Headteacher, determine, monitor and review the Academy staffing structure.

2.4 Leadership Group and Lead Practitioners

The Headteacher will be responsible for determining the starting salary, and for making pay progression decisions, for posts on the Leadership and Lead Practitioner Pay Ranges. Such decisions will be ratified by the Governing Body Pay Committee.

2.5 Other Teachers

The Headteacher will be responsible for determining the starting salary, and for making pay progression decisions, for teachers on the Unqualified, Main and Upper Pay Ranges. Such decisions will be ratified by the Governing Body Pay Committee.

2.6 Support Staff

The Headteacher will be responsible for determining the starting salary, and for making pay progression decisions, for all support staff.

3.1 Setting and Reviewing Pay

Salaries will be determined only in the circumstances set out below.

- 3.1.1 An individual salary range and starting salary will be determined where a new appointment is made, in accordance with the relevant sections of this Policy.
- 3.1.2 The salary of individual posts will be reviewed at such times as appropriate where there are significant changes in the responsibilities or duties of the post which warrant such a review.
- 3.1.3 The salary of individual posts may be reviewed where, the setting of a salary for a new appointment, or a change of salary in the circumstance set out in 9.1.1, makes such a review necessary to maintain consistency and fairness.

The salary, within the established range, of individual staff will be reviewed annually on or after:

- 1 September, but no later than 31 October(Teachers);
- 1 September, but no later than 31 December (Headteacher and Leadership Team);
- 1 April, but no later than 31 March (Support Staff).

3.2 Inflationary increases – Teachers’ Pay Ranges

The Academy will ensure that the values of the minimum point of each pay range in this Policy are in line with the minimum of the corresponding ranges set out in the Teachers’ Pay and Conditions Document. The values of points on the scales above the minimum will be determined annually by the Governing Body. In making its determination the Governing Body will have regard to any national pay award and any requirements set out in Teachers’ Pay and Conditions.

The salaries of individual teachers will increase accordingly, subject to them demonstrating satisfactory performance as assessed through the Performance Management Process and otherwise where necessary to ensure the teacher receives the minimum of the salary range.

3.3 Inflationary Increases – Teacher Allowances

The values of Allowances will be determined annually by the Governing Body and paid to individual teacher's subject to them demonstrating satisfactory performance as assessed through the Performance Management Process and otherwise where necessary to ensure the teacher receives the minimum value specified in Teachers' Pay and Conditions.

The Governing Body will determine the values of all other allowances and discretionary payments payable to individual teachers on an annual basis and will not increase other than where a re-determination of the value is deemed appropriate due to a change in the nature of the associated responsibilities or duties.

3.4 Support Staff

The values of the salary points on the Local Government Pay Scale will be increased in accordance with the nationally negotiated pay award and applied to individual staff. The values of other salaries will be determined annually by the Governing Body. In making its determination the Governing Body will have regard to any relevant national pay award.

All staff will be informed in writing of their pay determination and the rationale for it with each year according to the Pay Timetable and at any other time when a salary review takes place.

4 Teachers' Pay

4.1 Qualified Teachers will be paid on the Main Pay Range or the Upper Pay Range. The Pay Ranges in this Academy have been divided into progression stages.

- Teachers on the **Main Pay Range** will be paid on the Outer London six-point scale;
- Teachers on the **Upper Pay Range** will be paid on the Outer London three-point scale.

4.2 Unqualified Teachers will normally be paid on the Unqualified Pay Range.

Where an unqualified teacher is on a recognised "route into teaching" programme, the Pay Committee may exercise its discretion to pay him/her on the Main Pay Range having regard to his/her skill, qualifications and experience.

4.3 Lead Practitioners: Where a Lead Practitioner post(s) is (are) included in the Staffing Structure., each Lead Practitioner will be paid within a specified range, within the Pay Range for Lead Practitioners.

- In setting the specified Range, the Pay Committee will determine the number and value of performance pay progression stages within that range;
- Different Lead Practitioner posts may have a different specified range, having regard to the challenge of the individual post and pay differentials within the Academy.

Governors to set the pay ranges for individual posts and progression stages within specified range as required.

5 Pay On Appointment

The salaries of new staff will be set within the Pay Range for the post as set out in the Staffing Structure and in accordance with this Pay Policy. In determining the starting salaries for individual staff, including the award of any discretionary payments as allowed for within this policy, account will be taken of:

- the skills, experience and relevant qualifications of the individual;
- market conditions;
- any specific restrictions set out in the Teachers' Pay & Conditions Document;
- the employee's current salary level.

Newly Qualified Teachers in their first year will normally be paid on the minimum of the Main Pay Range.

There is no assumption that an employee will be paid the same rate they were being paid in a previous school.

6 Pay Progression Based on Performance

Teachers on the Main, Unqualified, Upper and Lead Practitioner Pay Ranges.

- 6.1 Decisions regarding annual Pay Progression** within the relevant ranges set out in 4.1 - 4.3 above, will be made with reference to teachers' Performance Management statements and the pay recommendation they contain. In the case of Newly Qualified Teachers, whose appraisal arrangements are different, pay decisions will be made by means of the statutory induction process.

The Governing Body expects all teachers to perform at the highest possible level and to continue to improve their professional practice year on year. Performance Management objectives will be progressive and developmental, thereby ensuring that good performance is rewarded and that good teachers have the opportunity over a number of years, to progress to the maximum of their respective pay range.

- 6.2 Decisions on Performance Pay Progression** will be based on an assessment of the overall performance of the teacher.

A teacher will be eligible for annual (bi-annual for Upper Pay Range) Performance Pay Progression where they:

- have been assessed as meeting all of the teaching standards, through out the assessment period;
- have had their teaching assessed as competent overall during the assessment period;
 - Upper Pay Range teachers will be expected to demonstrate increasing levels of highly competent teaching overall;
 - Lead Practitioners will be expected to demonstrate highly competent teaching overall;
- have been assessed as meeting the requirements of their job description/job role;
- meet their individual performance management objectives;
 - *Consideration will be given where factors beyond the teacher's control have impacted on their ability to meet objectives;*
- have demonstrated a personal responsibility for identifying and meeting their CPD needs.

The evidence which will be considered in assessing performance will include:

- pupil progress data;
- quality of teaching against the Teaching Standards, including observed practice;
- self-assessment;
- professional dialogue;
- received feedback;
- performance management statements;
- CPD records.

And in the case of Upper Pay Range teacher and Lead Practitioners, evidence of their contribution beyond their own classroom and their impact on the wider school.

Where a teacher has been absent for some or all of the assessment period, an assessment will be based on performance during any periods of attendance and/or prior performance.

6.3 Decision to Progress

Where all of the Performance Pay Progression criteria set out in 6.2 above are met, the teacher will move up to the next Performance Pay Progression Stage. (Progression is bi-annual in the case of Upper Pay Range). Discretion will be applied where not all performance management objectives have been fully met, but significant progress has been made.

Governors have the discretion to reward differentially where there has been a lower or higher level of performance.

6.4 Decision not to Progress

Where the Performance Pay Progression criteria in 6.2 are not met, the teacher will not receive any Performance Pay Progression. A decision not to award Performance Pay Progression may be made without

recourse to capability procedures. However, teachers who fail to meet the minimum teaching standards and/or who consistently fail to improve their practice or to sustain the expected level of performance for their pay level, may be subject to these procedures.

Where a decision not to progress is made, the teacher will be supported through the Performance Management Process to improve their performance.

7 Movement to the Upper Pay Range

Any qualified teacher on the Main Pay Range may apply to be paid on the Upper Pay Range once per year. It is the responsibility of the teacher to decide whether or not they wish to submit an application. Applications must:

- be made on the appropriate application and submitted to the Headteacher;
- be submitted by 31 October in each year (consideration will be given to accepting late applications where individual circumstances e.g. absence prevent this deadline being met).

7.1 The Criteria

An application will be successful, if the Headteacher and the Pay Committee are satisfied that:

- the teacher is highly competent in all elements of the teaching standards; and,
- the teacher's achievements and contribution to the Academy are substantial and sustained.

In this Academy, this means that the teacher has:

- demonstrated that they meet all teaching standards, both in terms of teaching and personal and professional conduct, over a sustained period;
- been assessed as meeting their performance management objectives over a sustained period;

and in addition that;

- teaching has been rated as competent, with some highly competent, over a sustained period;
- the teacher has demonstrated over a sustained period an ability to support some pupils to exceed expected levels of progress/achievement;
- the teacher has consistently taken responsibility for identifying and meeting their own professional development needs and used their learning to improve their own practice and pupils' learning;
- the teacher has demonstrated that they have made an impact on the Academy beyond their own class/group(s) over a sustained period. This may include:
 - demonstrating an ability to coach, mentor, advise and demonstrate best practice to, other teachers to enable them to improve their teaching practice;
 - contributing to policy and practice which has improved teaching and learning across the school.

To progress to Point 1 of the Upper Pay Scale (UPS), a teacher will need to demonstrate that:

- they are highly competent in all elements of the teacher standards;
- teaching has been rated as highly competent, over a period of at least two years;
- teachers' achievements and contribution to the school are **substantial and sustained** as demonstrated by two successful successive appraisal statements.

To progress to Point 2 of the UPS, a teacher will:

as above, and;

- have grown professionally by developing teaching expertise post threshold, demonstrating an ability to support some pupils to exceed expected levels of progress/achievement.

To progress to Point 3 of the UPS, a teacher will:

as above, and;

- play a critical role in the life of the school. This may include:
 - contributing to policy and practice which has improved teaching and learning across the school;
 - consistently taking responsibility for identifying and meeting their own professional development needs and used their learning to improve their own practice and pupils' learning;
 - making a distinctive contribution to the raising of student standards by supporting increasing numbers

of pupils to consistently exceed expected levels of progress/attainment.

Sustained means maintained continuously over a period of at least 3 school years (a year being defined as at least 26 weeks work in any academic year). It is normally expected that this will include at least one year at this school, although discretion will be exercised where there is clear and compelling evidence of consistent performance against the criteria at the teacher's previous school.

Highly Competent means a performance which is at least good but also good enough to provide coaching and mentoring to other teachers, give advice to them and demonstrate to them effective teaching practice and how to make a wider contribution to the work of the school, in order to help them meet the relevant standards and develop their teaching practice.

The Academy will exercise its discretion to consider performance over a lesser period where a teacher has been absent for some of the relevant period.

7.2 The Assessment

The Headteacher will assess all applications to be paid on the Upper Pay Range and their recommendation will be considered by the Pay Committee.

The Headteacher will use the evidence contained in the teachers' Performance Management review paperwork to make their assessment.

A teacher who has not been at the Academy for all of the 3-year assessment period, should provide their Performance Management review statement(s) from their previous employment with their application.

A teacher may, if they wish, provide additional evidence to support their application, but is not obliged to do so.

7.3 Procedure

The Headteacher will discuss their recommendation with the teacher and the Pay Committee will confirm the decision by 31 December.

Where the application is approved, the teacher will progress to the minimum of the Upper Pay Range backdated to the 1 September.

Where the application is not successful, the Headteacher will provide feedback and the teacher will be provided with advice and support through the Performance Management process to develop their skills with a view to them making a future successful application.

Teachers have the right to appeal any decision not to move them onto the Upper Pay Range. The appeals procedure is at section 21 of this policy.

8 Additional Allowances

Teachers on the Main or Upper Pay Ranges may be paid an additional allowance as set out in and 8.2 below:

8.1 Teaching and Learning Responsibility (TLR) Payments

There are 3 TLR levels: TLR1, TLR2 and TLR3

TLRs may be awarded to teachers on the Main or Upper Pay Range. A teacher may not be in receipt of more than one TLR1 or TLR2 concurrently.

Posts which attract TLR1 and TLR2 Allowances, and the amount of those Allowances, are set out in the staffing structure.

TLR1 and TLR2 payments are permanent while the employee remains in the same post in the staffing structure.

TLR3 Allowances are paid for a fixed-term period, for delivery of a significant responsibility in relation to a clearly time-limited school improvement or one-off externally driven project.

The Headteacher will determine what projects should attract a TLR3 Allowance and the value of those Allowances having regard to the context, nature and complexity of the responsibility.

The Headteacher will invite teachers to express interest in relevant projects and will allocate TLR3s on the basis of an assessment, through professional dialogue, of which teacher has the relevant skills and knowledge required for the specific project.

In determining the allocation and value of TLR3 payments, due regard will be given to ensuring consistency, fairness, transparency and value for money.

Where a TLR is awarded, written notification will be given to the teacher of:

- the nature of the significant responsibility;
- the level of the payment;
- in the case of TLR3, the date on which the Allowance will end.

8.2 Special Needs Allowances

There is one special needs allowance consisting of a minimum and maximum amount.

The Pay Committee will determine which posts will attract an SEN Allowance according to the criteria set out in the Teachers Pay & Conditions Document which relate to teaching SEN pupils, and the amount of the Allowance in each case.

Where a post attracts an SEN allowance the amount of the allowance will be determined in each case by reference to:

- whether any mandatory qualification is required;
- the qualification and/or expertise of the teacher relevant to the post;
- the relative demands of the post.

In determining the value of an SEN payment, due regard will be given to ensuring consistency, fairness and transparency.

8.3 Unqualified Teacher Allowance

The Headteacher may determine that an additional Allowance be paid to an unqualified teacher who is paid on the Unqualified Teachers' Pay Range where, in the context of its staffing structure, the teacher has:

taken on a sustained additional responsibility which is:

- focussed on teaching and learning; and
- requires the exercise of a teachers' professional skills and judgement: or
- qualifications or experience which bring added value to the role s/he is undertaking.

The Headteacher will determine the amount of any such allowances having due regard to consistency, fairness and transparency.

9 Leadership Group Pay

The Pay Range for Leadership Posts at this school has been divided into Pay Progression Stages. The Salary Range for each Leadership Post will be determined on a case by case basis as set out in 9.2 below and will consist of an appropriate number of progression stages.

NB: the salary of existing leaders must not be reviewed other than in the circumstances specified in TPCD.

- 9.1** The Pay Committee (or Governing Body) will determine the group size of the Academy with reference to pupil numbers as set out in TPCD and determine appropriate Salary Ranges for each Leadership Post, normally within the Group Size¹.

Where a person is appointed as Headteacher of more than one school on a permanent basis, the group size and Salary Range will be determined by reference to the combined pupil numbers of all the schools and the overall responsibility of the post.

In setting the individual Salary Ranges for Leadership Posts the Pay Committee will:

- take account of all of the permanent responsibilities, and challenges that are specific to the role and any other relevant considerations;
- have regard to appropriate pay differentials with other staff;

NB: the salary of existing leaders must not be reviewed other than in the circumstances specified in TPCD.

- 9.2** When determining the starting salary of a newly appointed member of the Leadership Group, the Governing Body will have regard to the extent to which the candidate meets the requirement of the post and whether this merits a starting salary higher than the minimum of the Range determined in Section 9.1. The starting salary will allow for performance progression overtime.

- 9.3** Progression within the Salary Range, will be subject to the individual demonstrating a sustained high quality of performance having regard to the most recent review carried out under the Performance Management Policy.

Determination of whether there has been “sustained high quality of performance” will be made in accordance with the criteria outlined in Appendix C of this Policy.

Where performance is considered to be exceptional, the Pay Committee may move the employee up two progression stages.

- 9.4** Performance Progression is limited to the maximum of the Salary Range as determined in 9.1. Discretion will be applied where not all performance management objectives have been fully met, but significant progress has been made.

- 9.5** Where the employee’s performance is assessed as not being of a sustained high quality, they will not be any performance pay increase. A decision not to award a performance pay increase may be made without recourse to capability procedures. However, those who fail to meet the minimum standards and/or who consistently fail to improve their practice or to sustain the expected level of performance for their pay level, may be subject to these procedures.

Where a decision not to progress is made, the employee will be supported through the performance management process to improve their performance.

¹The Salary Ranges of Deputy and Assistant Headteachers must not exceed the Group Size of the Academy. Where the Governing Body determine a higher than normal salary is warranted for the headship, the Salary Range of the Headteacher may exceed the Group Size of the Academy, subject to the total salary, including any temporary payment made under 9.4 below, not exceeding 25% above the Group Size, other than in exceptional circumstances in which case:

- a business case must be approved by the full Governing Body;
- the Governing Body must seek external independent advice.

10 Additional Payments to Teachers

10.1 Temporary Payments to the Headteacher

The Pay Committee may determine that an additional temporary payment be made to the Headteacher for clearly defined responsibilities or duties which are in addition to, and have not previously been taken into account in setting, the permanent Salary Range under 9.1.1.

The total sum of any additional payments set out in this section (and in 9.1.1) will not exceed 25% of the value of the Headteacher's point on the Leadership Pay Spine. If the Pay Committee exceptionally wishes to exceed the limit above, it will seek independent external advice and seek agreement of a business case from the Governing Body before so doing.

Except where specified, the following payments may not be made to members of the Leadership Group. Where relevant, any additional payments to a Headteacher must be made as part of their permanent Salary Range (asset out in 9.1.1 above) or as a temporary payment (as set out in 10.1 above).

Any payments currently paid to members of the Leadership Group may continue until their expiry and may be renewed, but may not be increased. No new payments may be made other than where specifically permitted.

10.2 Continuous Professional Development Undertaken Outside the School Day

The Governing Body does not make payments for CPD outside of the school day.

10.3 Activities Related to the Provision of Initial Teacher Training (ITT)

The Governing Body does not make payments for ITT activities.

10.4 Participation in 'Out of School' Learning Activities

Where a teacher at the Academy undertakes 1:1 Tuition outside of the school day, they will be paid their normal hourly rate.

Where a part-time teacher at the Academy undertakes 1:1 Tuition during the school day they will be paid their normal hourly rate.

10.5 Provision of Services to Another School(s)

The Governing Body may authorise teachers, including Leadership Group, to undertake additional responsibilities and activities relating to the raising of standards in one or more other school.

Where such an agreement is authorised, the Governing Body will determine, what, if any, payment should be paid to the teacher and/or to other staff, in recognition of the associated additional responsibility and how much shall be retained by the Academy to cover associated costs such as administration or supply cover.

Any payment to the Headteacher will be made under 10.1 of this Policy. Payments to other staff may include acting arrangements, temporary TLR3s or such other payment as the Pay Committee considers appropriate under Paragraph 26.1 of TPCD.

All such payments are temporary with no entitlement to safeguarding when they cease.

10.6 Recruitment and Retention Payments and Incentive

The Pay Committee may authorise, on a case by case basis, a payment or incentive to secure the recruitment, and/or to retain the services, of a teacher. In authorising such a payment, the following factors will be considered:

- that there is evidence that there is difficulty in appointing to a particular post or in recruiting a teacher with the required skills, qualifications and/or experience;
- that there is a need to retain the skills, qualifications or experience of an individual;
- whether the salary available in the context of the staffing structure is insufficient to secure an appointment given the circumstances of the Academy;

- available financial resources;
- market forces.

Any such payment or incentive will be subject to review and there will be no entitlement to a payment beyond the review date.

Any such payment will be confirmed in writing, including details of:

- whether it is for the purpose of recruitment or retention;
- the nature of the payment or incentive;
- if a financial payment paid, whether this will be paid monthly as part of salary or as a lump sum to be paid at an agreed time;
- the basis for any uplifts where applicable;
- the date which the payment/incentive will be reviewed;

Leadership Group may only receive payments under this Section for reasonably incurred housing or relocation costs.

10.7 Acting Arrangements

Where a teacher is assigned and carries out the duties of a Headteacher, Deputy Headteacher, or Assistant Headteacher, but has not been appointed in an acting capacity the Governing Body shall, within four weeks, determine whether or not an allowance should be paid in accordance with the provisions of the School Teachers' Pay & Conditions Document.

11 Part Time Teachers

Teachers who work less than a full day or week are deemed to be part-time. The proportion of full-time will be calculated in accordance with the Teachers Pay & Conditions Document as follows:

Teacher’s timetabled teaching time

School’s timetabled teaching time

= part-time percentage

Part-time teachers will be expected to work a corresponding proportion of directed time and will receive a corresponding proportion of a full-time salary.

12 Short Notice/Supply Teachers

Teachers who are engaged directly and work on a day-to-day basis or other short notice basis will have their pay determined in line with the statutory pay arrangements in the same way as other teachers.

Supply teachers working a whole day, including directed time, will initially have their salary calculated as an annual amount; it will then be divided by 195 and multiplied by the number of days worked.

Supply teachers working less than a full day will be hourly paid. The salary will be calculated as an annual amount and then divided by 1265 to determine the hourly rate, which will then be paid for hours worked, including any agreed payment for directed time.

13 Support Staff Pay

The salary of support staff is as set out in their contract of employment.

13.1 Starting Salary

The salaries of new staff will be set within the range for the post as set out in the Staffing Structure and in accordance with this Pay Policy. In determining the starting salaries for individual staff, account will be taken of;

- the skills, experience and relevant qualifications of the individual;
- market conditions.

13.2 Pay Progression

Annual progression within any pay range set out in the contract of employment, will be subject to the employee meeting the expectations as determined through the performance management process.

13.3 Part-time Staff

Support staff who work less than a full day, week and/or year are deemed to be part-time. The proportion of full-time will be calculated as follows:

$$\frac{\text{Hours per week} \times \text{weeks per year}}{36 \times 52.14}$$

13.4 Additional Hours

Midday Supervision will be paid at the agreed Midday Supervisor rate;

Time Owed in Lieu (TOIL) will be authorised at the discretion of the Headteacher and is decided on a case by case basis.

Overtime is voluntary and non-contractual (unless specifically covered in an individual contract of employment or under TUPE arrangements) and is paid as follows:

Monday – Friday (sociable hours)²: standard hourly rate

Monday – Friday (unsociable hours)³: time and half of the standard hourly rate

Saturday, Sunday and Bank Holidays: double the standard hourly rate.

Overtime will be authorised at the discretion of the Headteacher or Business Manager and is decided on a case by case basis.

Lettings: Premises staff who work outside of their contracted hours will be paid on the agreed Lettings rate of £16 per hour.

²Sociable hours are the hours between 7am to 6pm

³ Unsociable hours are the hours between 6pm to 7am

14 Salary Sacrifice Schemes

The Governing Body operates a Salary Sacrifice Scheme in relation to:

Child Care Vouchers

Staff choosing to participate in a Scheme(s) will have their gross pay reduced according to the terms of the Scheme(s) for the duration of their participation.

For further information, please visit <https://www.gov.uk/help-with-childcare-costs/childcare-vouchers> or speak to HR.

15 Pensions

15.1 All regular salary payments and additional allowances and payments to staff within this policy, with the exception of some recruitment and retention benefits, are pensionable.

Note: Full-time teachers cannot be members of the Teachers' Pension Scheme for a second job (e.g. 1:1 tuition at another school). They can however join the Local Government Pension Scheme for this secondary employment.

15.2 The Governing Body will not promote staff through the grading systems or use other pay flexibilities to assist in securing an employee's improved pension entitlement on retirement. The Governing Body recognises that, where this to be done, the DfE and/or pension regulator, where appropriate, may use their powers to substitute a notional salary for calculation of pension.

16 Salary Safeguarding/Protection

The Governing Body will ensure appropriate salary protection/safeguarding for teachers in accordance with the School Teachers' Pay and Conditions Document and for support staff in accordance with the Academy's Redundancy and Re-Organisation Procedure.

Employees in receipt of safeguarding will be expected to undertake commensurate work.

17 Staffing Budget

The amount of money allocated to implementing the Pay Policy will be determined at the beginning of each financial year through the budget allocation process of the Academy. The Governing Body will endeavour to ensure that appropriate funding is allocated for Performance Pay Progression at all levels.

18 Equalities

The Governing Body recognises the principle of equal pay for work of equal value in the implementation of this policy. The Governing Body will take into account the salaries payable in comparable posts, where possible, in setting pay levels.

All pay related decisions will be taken in accordance with relevant equalities legislation, Employment Relations Acts and Part-time Workers and Fixed-term Employees Regulations. Appropriate consideration will be given where staff have been absent for long periods e.g. due to sickness or maternity leave.

19 Over/Under Payments

The Governing Body shall be entitled to deduct from your salary any money which you may owe to the Academy at anytime.

Support staff working less than 52 weeks have their annual salary spread evenly over 12 months, whereas their working hours are spread unevenly across the year due to school closure periods. When they leave employment, a calculation will be made to assess any over or underpayment arising from this arrangement, and any over or underpayment will be adjusted in their final pay. Employees will be notified in advance of any adjustment.

Should an overpayment occur in other circumstances the employee will be notified in writing of the full amount of the overpayment and agreement will be sought about a reasonable repayment schedule. In the absence of such an agreement the Governing Body will determine a reasonable recovery schedule, usually not exceeding 5% of the monthly gross, except where the employee is leaving, where the balance owing may be deducted from final salary in the absence of an alternate agreement.

Recovery of overpayments will be pursued in the case of former employees.

In the case of underpayments, the Governing Body will apply appropriate refunds as soon as possible.

Employees are expected to draw to the attention of the Academy Business Manager any overpayment or underpayment as soon as possible. The Employer is expected to draw to the attention of the employee any overpayment or underpayment as soon as possible.

20 Monitoring

The Governing Body will monitor the outcome and impact of this policy and annually assess its effect and continued compliance with equalities legislation. The effect of the policy will be assessed particularly with reference to trends in progression across specific groups of teachers and the correlation between this and performance management reviews and outcomes for pupils.

The pay of individual staff will remain confidential – shared only with those responsible for making pay decisions and managing administrative matters.

21 Appeals Procedure

21.1 Staff Have the Right to make Representations and to Appeal

Staff have the right to make representations and to appeal about any aspect of their pay or pay progression in accordance with the Appeals Procedure within the policy, which meets, as a minimum, the statutory requirements on disputes resolution.

Pay recommendations will be contained within Performance Management Review Statements and these will be discussed with employees at the review meeting. Where an employee has concerns about the pay recommendation which cannot be resolved at the review meeting, they should include these on the review statement for consideration by those responsible for making pay decisions.

21.2 Formal Appeal against any Decision on Pay

An employee may make a formal appeal against any decision on pay, which must be submitted in writing within 10 working days of receipt of written notification of that decision.

The grounds of appeals are that the decision maker(s):

- incorrectly applied the provisions of the Teachers' Pay & Conditions Document / national/local terms and conditions

- failed to have proper regard for statutory guidance;
- failed to take proper account of relevant evidence and/or took account irrelevant or inaccurate evidence;
- were biased; or
- otherwise unlawfully discriminated against the employee.

21.3 Appeals will be heard by the Pay Appeals Committee.

The Appeals will be heard at a meeting, normally within 20 working days of receipt of the written appeal. The employee will be entitled to attend the appeal meeting, to make representations and to be accompanied by a work colleague or a member of a recognised Trade Union.

The procedure for the conduct of the appeal meeting is at Appendix B.

Any written submissions relevant to the appeal must be circulated to all parties at least 3 working days prior to the meeting.

The decision of the Appeal Committee will be notified in writing and, where the appeal is rejected, this will include a note of the evidence considered and the reasons for the decision.

The decision of the Governing Body's Pay Appeals Committee is final and there is no recourse to the staff grievance procedure.

The Headteacher shall be entitled to attend, for the purposes of providing information and advice (except in the case of his/her own salary), all proceedings of the Pay Appeals Committee.

The role of the Pay Appeal Committee is not to make judgement about the effectiveness of individual staff. It is to satisfy themselves that any recommendation/decision has been made on the basis of evidence and has been made taking proper account of equal opportunities and that correct procedures have been followed.

Appendix C

Performance Pay Progression - Leadership

To achieve progression on the Leadership Pay Scale, the School Teachers' Pay and Conditions Document (STPCD) requires individuals to have demonstrated sustained high quality performance. In making judgements against this criterion and in determining whether there should be progression the Governing Body will consider whether the individual has grown professionally by developing their leadership; and (where relevant), teaching, expertise.

In considering whether there has been professional growth, the Governing Body will consider whether the following description of a person on the leadership scale has been met:

- Those on the leadership spine play a critical role in the life of the Academy;
- They inspire those around them and work with others to create a shared strategic vision which motivates pupils and staff;
- They take a lead in enhancing standards of teaching and learning and value enthusiasm and innovation in others;
- They have confidence and ability to make management and organisational decisions and ensure equity, access and entitlement to learning.

To achieve progression (and for the above to be satisfied), there will need to have been a successful performance management review.

A successful Performance Management review involves a process of:

1. Performance Management objectives, linked to school improvement priorities, pupil's outcomes raising levels of achievement and attainment, leaderships and management skills and competencies, personal development;
2. Performance against the teaching standards including observed practice;
3. Performance against any other relevant Standards (e.g. the Headteacher Standards);
4. Other evidence, including of professional development/growth.

Note: The Governing Body expects that a teacher's performance objectives will define what needs to be achieved to demonstrate that the individual has grown professionally by developing their leadership and (where relevant)
